| A. Expecting attendance | G. Introducing the keynote speaker |
| B. Complimenting on the speech | H. Introducing the conference program |
| C. Extending thanks | I. Welcoming the participants |
| D. Opening the meeting | J. Summarizing conference achievements |
| E. Clarifying questions | K. Introducing the conference background |
| F. Expressing good wishes | L. Stating the conference purpose |

1. ITNEC 2022 is to provide a platform for researchers, engineers, academics as well as industrial professionals from all of the world to present their research results in advanced information technology, networking, electronics and automation control.
2. I believe, by way of this conference, the relationship between us will be strengthened and we will innovate more beneficial solutions through the use of artificial intelligence technologies. I wish the conference a great success in Nanjing.
3. We have learned from your presentation that you're going to use paraffin coatings in your newly manufactured maser. Personally, I do believe the experimental deliberation is well grounded theoretically. But I am interested in knowing how you have dealt with the short-term stability.
4. Please allow me on behalf of the Jiangsu Provincial Government to extend my warmest congratulations on the convening of this conference. I would like to warmly welcome you to Nanjing and participate in 2022 World Intelligent Manufacturing Conference.
5. On the occasion, 40 distinguished experts both domestic and abroad will give special reports, 15 major manufacturers of the industry will exhibit their advanced technology, and excellent papers will be assessed.

6. Professor Brown is a figure who is being closely watched by academic circles because of the success of his research. In fact, his achievements are highly esteemed in the world. He will give us a talk on "Big Data Management". Now, Professor Brown, please.
7. On behalf of all the members of our organizing committee, I would like to express our sincere gratitude to all of you who have so actively participated in this congress to make it such a success. I now extend best wishes to all of you and look forward to seeing you again at the next congress two years hence in Beijing.
8. The Physical Science society of International Science Federation was founded in 2000. The society focuses mainly on the research and development of computer science, information science, bioscience, life science, biology and chemistry science, and so on.
9. The conference has been very fruitful and productive. We benefited greatly by attending it. We have listened to 15 presentations selected from 40 in the proceedings in two days. We have talked and exchanged ideas with each other in the field of computer science.
10. Thank you, Mr. Carswell. Your speech is very inspiring and enlightening. We are delighted to be able to share your new specific strategies and techniques on business plan. The secrets of how to start business will be greatly cherished by the people present here. Now, let's welcome our next speaker, Prof. King.
